

10th October 2017

Dear Parent/Carer

AFTER SCHOOL CLUBS

Due to the darker evenings after half term, all children who attend after school clubs at school, must be collected. **No child will be allowed to walk home alone.**

Please therefore, make sure arrangements are in place, from the beginning of next term, i.e. week commencing 30th October 2017, for children to be collected from after school clubs and any sporting events, that are returning later than the school finish time.

Thank you for your support.

Yours faithfully

H Portrey
