Dear Parents/Carer

SCHOOL UNIFORM

Uniform is an important part of a school's identity. It reinforces who we are as a community and helps allow pupils to feel pride in their school. It also ensures pupils are not put under any pressure because of the type of clothes they wear and all are treated equally. It also helps prepare pupils for life after school where many will have to dress smartly for work.

I recently met with a number of School Governors to request looking at the present school uniform and consider some slight changes that I feel will benefit some children across the school, but also ensure that the uniform remains smart.

The main discussion focussed upon the girls and the wish to provide alternatives to the skirts and dresses. I am delighted to announce that it has been agreed, with immediate effect, girls may now (if they wish) wear the following options:-

- Navy Tailored School Culottes
- Navy Tailored Shorts

These must be school uniform quality, and not fashion items.

A full updated version of the Delapre School Uniform has been updated and is available on the school website: www.delapreprimaryschool.net

The Governors and Staff continually work hard to try and make Delapre Primary School an inclusive school, and we have listened to discussions and requests. We want the children to take pride in their appearance and ask you all as parents, to adhere to the School Uniform Policy. Non-compliance may result in your child being sent home until correct uniform is worn.

Thank you for your support.

Yours faithfully
