

PE Sports Premium Funding

The Government announced in 2013 a package of funding for physical education and school sport. Through a new 'Sport Premium' the Government is providing funds to support the delivery of PE and sport in primary schools.

The funding will be allocated through a lump sum for each school and a per-pupil top-up mechanism. All schools with seventeen or more primary aged pupils will receive a lump sum of £8000 plus an additional premium of £5 per pupil (£8000 + £2240). The Sport Premium must be used to increase the quality & breadth of PE & Sport provision, and increase participation in PE & Sport.

At Delapre Primary School, Mr David Thomas is the P.E. subject leader and is responsible for developing sport and effective use of Sport Premium Funding. Our school already has an excellent reputation for our Sport and P.E. as we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils. We welcome the additional funding, which will further enhance our provision and provide additional opportunities for increased participation.

Action Plan for Sports Premium Grant 2016-17 (September 2016 – July 2017)

At Delapre Primary School we aim for children to:

- Develop positive attitudes to participation in physical activity.
- Make informed decisions about the importance of exercise in their lives.
- Acquire and develop skills, performing with increasing competence and confidence, in a range of physical activities and contexts.

The school will:

- Provide a well-balanced programme of Physical Education which will include games, gymnastics, dance, outdoor and adventurous activities, athletics and swimming.
- Provide opportunities for pupils to participate in coaching and competitions within and outside of school.

Issue to be addressed

- Develop further provision for swimmers falling below our own and national expectations (25m front and back).
- Improve the overall teaching of gymnastics.
- Raise the activity levels during the lunch break.
- To continue to develop strong cluster partnerships – resulting in an increase of participation for pupils.
- Continue to address the need for Teacher's professional development – Real P.E
- Building of a MUGA.
- Increase extra sporting activities for KS1 and Year 3.

Strategies/actions to be taken

- Curriculum P.E overview – gaps identified and addressed (non-curriculum also included)
- To increase subject knowledge and confidence in the teaching of P.E.
- Continue to work with the Abbeyfield Cluster to raise standards in the provision of sports across all cluster schools and maintain the high level of children engaged in sports activities at both school and cluster levels.
- Continue Real P.E training.
- Staff to work alongside qualified sports coaches in the teaching of gymnastics and swimming.
- Subject leader to support staff in the teaching and assessment of P.E.
- Develop plans for a MUGA (Multi Use Games Area) to be built – long-term plan.

School Sport

- To maintain the sports opportunities and encourage participation in sporting activities and competition.
- Liaise with the Abbeyfield Cluster schools to provide opportunities for all children to participate in competitions and other sporting events and festivals.
- Allocate funding to pay for children who would not otherwise participate in out of school hour's clubs and competitions (particularly those who are less active/pupil premium).
- Provide places for pupils in before/after school sports/dance clubs e.g. Hotshots, Northampton Town Football Club.
- Maintain the profile of P.E. and school sport through displays in school.
- Purchase specialist equipment/provide opportunities to develop interest in non-traditional activities i.e. Real P.E.
- Access pupil voice information for ideas on how to engage the children with more physical activities (School Council).
- Organise a Sports Council and give these children opportunities to lead and organise sporting events.

Health and fitness

- Promote healthy active lifestyles in school life (P.E. lessons, playtimes, cross-curricular links).
- Link Governor to meet with Mr Thomas. Review plan and impact.
- Change for Life program.
